*Founder Principal  
Mr. Robert Zomawia Street*

*The school was founded in 1974 by Mr. Robert Zomawia Street. He had felt the need of an English medium school that would impart education of high quality to the children of the town and those who came from other towns without such facilities. Hence, the school was started in Shillong in a rented Bungalow “Quasor Enver” in 1974 and moved to its present site where construction of the school buildings had begun.*

*The school has no endowments or trust funds and neither does it receive grants from the Government; it is entirely dependent on income from fees. Under the aegis and able leadership of the founder, the school has made enormous progress. Mr. Street dreams of a happy and prosperous world that is envisioned to be made true in his school. He earns spontaneous regard and respect from the students and teachers alike for providing an all-round leadership. His zest and devotion to St. John’s School Whitehall assures us of the highest levels of not only management and smooth running but also effective teaching and learning.*

*We are a comprehensive co-educational boarding and day school for children aged four to eighteen. Our strength lies in our boarding sphere, which sets the essential tone to the school. We are proud of our first class boarding amenities which offer a secure, homely and comfortable environment to all our boarders.*

*As a school community, it is our utmost endeavour to nurture and groom each pupil to develop and strive for excellence that encompasses all academic, cultural and sporting achievements. Quality education is our priority and as such we have an excellent team of dedicated and experienced teaching and non-teaching staff to guide our pupils to maximize their learning and development.*

*I invite you to browse through our website for a glimpse of the facilities and events in our school. Please do contact us for any additional information you may require.*
